Subject: Construction Advisory: N. Pleasant West Side Lane and Sidewalk Closed June 11-25

And, a reminder about the parking situation on Mon and Tues next week, as well.

Ruthie

North Pleasant West Side Lane and Sidewalk Closed June 11-25

The contractor for the New Academic Classroom Building will be closing a portion of the west side (southbound) traffic lane on North Pleasant Street and the adjacent sidewalk along the length of the NACB construction site. The closure will begin on Monday, June 11, and will last approximately two weeks.

Pedestrians traversing north-south should take notice of detour signage and cross where appropriate to the opposite side of the street. North-south vehicle traffic will be alternately maintained, but will be reduced to a single lane. Police will direct traffic and delays can be expected.

Questions concerning the New Academic Classroom Building should be directed to the UMass Facilities project manager, Jeff Quackenbush, at 5-6453, or jquacken@facil.umass.edu.
